

INTERNATIONAL TEACHER TRAINING COURSE

2nd -9th June 2013

Legend Hotel Riva- Beykoz, Istanbul

From the 2nd to the 9th June 2013 an international training course, organised in the framework of SUSTAIN project, will be held in Istanbul.

The training course is addressed to teachers and educators of pre-primary and primary school and is aimed at deepening the themes related to Education to Sustainable Development in school curricula.

The meeting will be held at the Legend Hotel Riva in Beykoz, Istanbul district located in the Asiatic part of the city.

For a week teachers and educators, guided by experts and trainers from the 4 partner countries, will be actively involved in non-formal activities, theoretical in-depth analysis, educational visits and moments to share and exchange experience and good practices related to ESD.

During the residential week the participants will have the opportunity to visit Beykoz campus of Doga school ([Doga BEYKOZ brief information](#)) and try out the educational methods based on *Natural Learning Concept*, together with experts and teachers of the school.
